To Whom It May Concern,

We were impressed with the efficiency and professionalism of the team at DebtCollection Pte Ltd.

They were responsive and effective, and always kept us immediately informed of new developments in the debt recovery process.

We were struggling to obtain payment from a client. We used DebtCollection Pte Ltd to assist with this issue. They responded swiftly and professionally when dealing with our client and recovered our debt in a very short time.

We were very pleased with the service they provided and their high level of professionalism. I would not hesitate to use them in the future should such a situation arise again.

Yours faithfully,
For and on behalf of Cladtek Holdings Pte Ltd
